2	Election of Office Bearers as follows –	info
	Chairman Richard Fyffe proposer M.Clark seconder Carol Parry.	
	Deputy Chairman Dr Peter Fraser proposer R. Fyffe seconder M Clark	

Approved Minutes of the Cluny, Midmar @ Monymusk Community Council Meeting held at Midmar Hall on 27st June 2019 at 7.00pm.

	co-opted Secretary Richard Fyffe proposer M.Clark seconder Carol Parry Treasurer Judith Stokoe proposer Richard Fyffe seconder M Clark Welcome to new Community Councillors Ruth Wardle representing Midmar ward and Graham Tarn-Dyson representing Monymusk ward. Hugh Falconer becomes a Community Councillor for the Cluny ward moving from a co-opted member. All other Community Councillors continue in existing noted roles.	
2		
3	Co-options if applicable - none	info
4	Chairman's report - covering June 28th 2018 to date Mill of Lyne activities – continues with on-going disruption to local Community. Noise ,Dust, Heavy traffic on narrow roads. Damage to roadside, water courses etc. Whilst we have been working with the enforcement team on behalf of the local Community, progress remains slow. Sauchen Place Standard activities – succeeded in getting the Garioch Partnership on board and the output of the work has now produced a Sauchen action plan to take forward. Thanks must go to Caroline Smith and Dawn Brown for their on-going support and activities. Local Development Plan – well supported month to month and thanks must go to Hugh Falconer for co-ordinating the activity and pulling everything together. Cluny Craigearn road bumps – Achieved as much as we could with this situation thanks to Cllr Iris Walker for pursuing this on our behalf. Cluny to Sauchen pathway – we are all frustrated with the delays but do believe this will happen. Police traffic issues at Monymusk village, Cluny School and Sauchen village areas - have been on-going throughout the year. We must continue to report these instances to the police to have them logged, as this supports building a picture of the concerns we have. Where sufficient information can be supplied the local Police will talk to the drivers involved. Monymusk drainage problems – local flooding in the village has been raised as a concern about the existing infrastructure which we are pursuing. Sauchen Defibrillator – on-going must get this installed soon. Housing development in the Community linked to Millbank and Sauchen village nothing happening to date which really questions demand in the existing development plan. Pop up Library in Sauchen - good to see this now well established. Cluny School request for an additional building – has not yet moved forward. A new Head Teacher has now been appointed and starts in the summer term.	Info
	could not operate without you.	
5	Financial report – copies were handed out to Community group members by the Chairman. Dawn Brown independent examiner reports nothing untoward has come to her attention. The current account balance is £3,233.86	info
	Routine Meeting -	
1.	Welcome and Apologies – as above	info
2.	Conflict of interest - noted	
2.	Adoption of minutes – A member of the public objected to the fact we were approving minutes before he had visibility of them. The Chairman did provide a copy and highlighted the fact that we were following the Community Council	info

	g.Sauchen Play Park update- Official complaint not upheld. Zip wire now working. Closed h.Flooding /drainage issues in Monymusk –Cllr. John Latham reported (56/60 St	Info.
	Andrews addresses) that tarring of roads blocked gully and house drains were sealed. Developers/contractors/housing Agency group came to agreement on best fix. Separate to this we have the questions about the village suds/sewage. On-going investigations/questions being asked of Council and developers. i. Planning application 2019/0704 – Richard Fyffe discussed condition with	Info.

Approved Minutes of the Cluny, Midmar @ Monymusk Community Council Meeting held at Midmar Hall on 27st June 2019 at 7.00pm.

7. Community Empowerment — Discussion took place on Community decision making based on recent participation request invite. Looking to understand our appetite for local Community forums. 8. Road verges — massive grass growth this year which has been late in being cut. Action underway now, so expect to see improvements in next few weeks. Litter in verges also a problem for the grass cutting machines. Good feedback received from 2 main sources in Monymusk on how best to tackle the litter issues. Robin Worsman circulated the details which we are happy to support passing to the relevant request group. 9. Planning applications — none submitted AOCB — A member of the public again commented that he was unhappy he had not received copy of draft minutes to review and comment on. At this stage Richard Fyffe declared a conflict of interest and handed the Chair responsibility to Maureen Clark. It was explained that this is nothing personal and that our meetings are conducted in accordance with the Community Council hand book. However, he was advised to put his comments in writing, if he so wished to. In addition he was advised to put his comments in writing, if he so wished to. In addition he was advised that having a Community Council asbestos register (not policy) was not something we could support. We intend to update our web page to signpost the HSE contact details being the party with the expertise in these matters. A local resident in Sauchen highlighted that there are some vandalism problems in the local park and Council refuse area. Please report this by calling 101 so that the police are made aware of these incidents. Unsightly high grass area opposite bus stop in Sauchen. Unsure who owns this, but believe it to be the Council. Road markings need to be painted again. Cllr. Walker confirmed this was in the plan of works. Sauchen antique sale days result in massive traffic congestion in the area. The main bus service can't get past the vehicles parked in dangerous points on the bend beside the shop. Some att	planning group who said it was not an issue for them.	Info.
However they have now registered as a charity and have opened a bank account and held their first successful community BBQ. More is being planned. They meet every Tuesday 8am in the back room of the hall area. Everyone welcome to drop in and take part in the group development. Richard Fyffe will issue their contact details asap. 7.
